With this collection, CiaoBella suggests an avant-garde Design for a brand new and impactful style in which ingenuity and creativity come together.

Ciao Bella con questa collezione propone Un Design d'avanguardia per uno stile totalmente nuovo e d'impatto in cui ingegno e creatività si fondono.

Nikola Tesla mentre creava era solito pensare: **"Il presente è loro, il futuro, per il quale io ho davvero lavorato, è mio"**. Ora tocca a voi!

ENGINE OF THE FUTURE

A Tesla turbine consists of a set of smooth moving fluid to the edge of the disk. The fluid viscosity and the adhesion of the fluid to the disk adds energy to the fluid. The fluid has no projections.

LE CYGNE NOIR

— COLLECTION —

Le Cygne Noir

Ciao Bella resumes the charm of "Swan Lake" ballet by Tchaikovsky looking at it from another point of view. According to this new perspective, the collection provides a whole different atmosphere. The title is "Le Cygne Noir:" the most hidden part of us is here represented with gentle shades and light contrasts, not without grace and elegance. This game of opposites tiptoes us in a creative ballet full of colors, feathers, curtains, and graceful details.

Ciao Bella riprende il fascino della danza classica del Lago dei cigni di Tchaikovsky interpretandolo da un altro punto di vista. La nuova collezione è tale perché crea un'atmosfera diversa. Il titolo è le Cygne Noir: l'altro lato di noi stessi che, con la stessa grazia ed eleganza, viene rappresentato con sfumature e contrasti leggeri che ci trascinano in punta dei piedi in un balletto creativo di colori e piume, sipari e atmosfere.
