COLLECTION

Land of the Rising Sun

Drawing inspiration from iconic images of Japan, the "Land of the Rising Sun" collection captures the essence of this enchanting land. The colours of red black turquoise and ivory reflects the contrasts found in this land rich in history and tradition. From the vibrant tones of flowers and gardens to the legendary dragons symbolizing power and strength, to the imposing pagodas standing as guardians of ancient wisdom. Fine fabrics with intricate patterns inspired by traditional textiles, ideograms transcribed on ancient scrolls, blend harmoniously. The traditional kimonos evoke a sense of elegance and sophistication, while the enigmatic charm of the geishas whispers stories of mystery and tradition. Let the "Land of the Rising Sun" inspire your imagination of your next adventure!

Traendo ispirazione dalle immagini iconiche del Giappone, la collezione "Land of the Rising Sun" cattura l'essenza di questa terra incantevole. La tavolozza dei colori rosso, nero, turchese e avorio riflette i contrasti sorprendenti presenti in questa terra, ricca di storia e tradizione. Dai vivaci toni dei fiori e dei giardini ai leggendari draghi che simboleggiano potere e forza, fino alle imponenti pagode che si ergono come guardiani dell'antica saggezza. Pregiati tessuti dalle trame intricate, ispirate ai tessuti tradizionali, agli ideogrammi trascritti su antiche pergamene, si fondono armoniosamente. I tradizionali kimono evocano un senso di eleganza e raffinatezza, mentre il fascino enigmatico delle geisha sussurra storie di mistero e tradizione. Lascia che la "Terra del Sol Levante" accenda la tua immaginazione e ispiri la tua prossima avventura.

COLLECTION

Flower Shop

Imagine walking along a picturesque street lined with charming flowers boutique, each enveloped in the scent of fresh buds and the temperate late spring. This idyllic setting inspired our new collection, "Flower Shop".

The delicate pastel tones of our palette evoke the soft hues of blooming petals, capturing the atmosphere of full bloom. These colors convey the essence of the season, where fantasy and elegance come together in a kaleidoscope of colors and scents. What makes this collection truly special are the refined details, the delicate floral prints, flowers and buds that dance on fine fabrics creating an atmosphere of romantic lightness. Enter a sweetly enchanted world: open the door of your favorite shop and let yourself be transported into the magic of "Flower Shop".

Immagina di passeggiare lungo una via pittoresca, fiancheggiata da affascinanti boutique di fiori, ognuna avvolta nel profumo dei boccioli freschi e nella temperata Primavera inoltrata.

È questo scenario idilliaco che ha ispirato la nostra nuova collezione, "Flower Shop". I delicati toni pastello della nostra palette evocano le sfumature tenui dei petali in fiore, catturando l'atmosfera della piena fioritura. Questi colori trasmettono l'essenza della stagione, dove la fantasia e l'eleganza si fondono in un caleidoscopio di colori e profumi.

Ma ciò che rende veramente speciale questa collezione sono i dettagli raffinati, le delicate stampe floreali, fiori e boccioli che danzano su tessuti pregiati creando un'atmosfera di romantica leggerezza. Entra in un mondo dolcemente incantato: apri la porta del tuo negozio preferito e lasciati trasportare nella magia di "Flower Shop".

COLLECTION

Coral Reef

Dive into the depths of imagination with our latest collection, "Coral Reef". Drawing inspiration from the fascinating beauty of marine life, this collection intertwined with mechanisms of steampunk aesthetics offers a unique twist by taking on a new identity: octopuses adorned with metallic embellishments and seahorses with brass gears, each piece captures the essence of the inhabitants of the sea with a steampunk twist. The ocean floor becomes a playground for unconventional design, with rusted and weathered effects adding a sense of rugged allure to the underwater landscape. In this rebellious reinterpretation of marine life, traditional boundaries are broken, resulting in a bold and visionary collection: a unique and captivating collection for our rebellious scrappers.

Immergiti nelle profondità dell'immaginazione di "Coral Reef". Traendo ispirazione dall'affascinante bellezza della vita marina, questa collezione intrecciata con meccanismi dell'estetica steampunk, offre una svolta unica assumendo una nuova identità: polpi adornati con abbellimenti metallici e cavallucci marini con ingranaggi in ottone, ogni pezzo cattura l'essenza degli abitanti del mare con un tocco steampunk. Il fondale oceanico diventa un parco giochi per un design non convenzionale, con effetti arrugginiti e alterati che aggiungono un senso di fascino aspro al paesaggio sottomarino. In questa reinterpretazione ribelle della vita marina, i confini tradizionali vengono infranti, dando origine a una collezione audace e visionaria: una collezione unica e accattivante per le nostre scrappers dal cuore ribelle.
