LUNIBLOOM

Lunibloom is a sweet, colorful dive into a child's world. Soft pastels blue, pink, lilac, and yellow make it perfect for any little one. Cute watercolor animals, like bunnies, bears, and tiny birds, fill the collection with warmth and joy. Every detail feels gentle and cheerful, creating a tender atmosphere for precious childhood moments. Lunibloom wraps every story in softness, happiness, and a touch of magical pastel charm.

Lunibloom è un tuffo dolce e colorato nel mondo dei più piccoli! Con una palette pastello che mescola toni tenui di azzurro, rosa, lilla e giallo, è pensata per essere perfetta per ogni bimbo, senza distinzione di genere. Immagina teneri animaletti dai tratti delicati e simpaticissimi, tutti dipinti con l'effetto morbido e sfumato dell'acquerello: coniglietti, orsetti, uccellini e tanti altri amici pronti a far compagnia ai più piccoli con il loro sorriso. Ogni dettaglio è pensato per essere lieve e affettuoso, creando un'atmosfera tenera e gioiosa, ideale per accogliere i momenti più speciali della crescita. Questa collezione avvolge ogni storia in un abbraccio di dolcezza e allegria, con un tocco di tenera magia che solo i colori pastello e gli animaletti più adorabili possono dare!

COLLECTION

ARTEMIS

Artemis is a tribute to the elegance of Liberty and Art Deco design. The collection features a refined palette of green, salmon, gold, ivory, and purple. At its heart are graceful women surrounded by floral motifs, animals, and natural elements, all illustrated with the flowing lines and geometric shapes typical of these styles. Dreamy female figures blend with nature, while Art Deco inspired windows frame the scene with structured beauty. Artemis brings together vintage charm and a modern eye, celebrating beauty in every form.

La collezione "Artemis" è un omaggio allo stile Liberty e Art Deco, con una palette di colori eleganti: verde, salmone, dorato, avorio e viola. Al centro della collezione ci sono donne raffinate, animate da motivi floreali, animali e elementi naturali, tutti ripresi con linee sinuose e geometriche tipiche di questi stili. Le figure femminili, delicate e forti, si intrecciano con fiori e animali, creando un'atmosfera onirica. Le finestre, simbolo di architettura Art Deco, incorniciano il paesaggio naturale, aggiungendo un tocco di eleganza strutturata.

"Artemis" unisce il fascino del passato a una visione moderna, celebrando la bellezza in ogni sua forma.
