Cozy Moments

"How many lessons of faith and beauty we should lose if there was no winter in our year".

Thomas W. Higginson's words tell us of a slow, poetic winter, of a melancholy beauty. The winter is described in "Cozy Winter" through the elegant shades of white and gray, the delicacy of the cotton flakes, the enveloping warmth of wood. Dreamy and surreal landscapes, the white fur of the animals melted with the snowy atmospheres, lanterns and elements which show the discreet man's presence.

"Quante lezioni di fede e bellezza perderemmo, se non ci fosse l'inverno nel nostro anno."

Le parole di Thomas W. Higginson raccontano un inverno lento, poetico, di una bellezza malinconica. È l'inverno descritto da "Cozy Winter" attraverso le eleganti sfumature del bianco e del grigio, la delicatezza dei fiocchi di cotone, il calore avvolgente del legno. Paesaggi sognanti, surreali, la bianca pelliccia degli animali che sono elemento e completamento delle atmosfere innestate, lanterne e disegni che lasciano intravedere la presenza, appena avvertita, dell'uomo.

Dreamland

Dreamland

Surrealism has taught us to explore the boundary between dream and reality: falling in love with it was inevitable. "Dreamland" is a surrealist pop journey into a world populated by fantastic animals and fascinating characters which move within a dreamlike and evanescent universe. This collection is the celebration of our love for surrealism, through innovative and not at all obvious graphics. In the dimension of dreams, everything is possible, and this collection invites us to challenge the limits of the possible, giving life to creations capable of surprising adults and children.

Il surrealismo ci ha insegnato ad esplorare il confine fra il sogno e la realtà: innamorarsene è stato inevitabile. "Dreamland" è un viaggio pop surrealista in un mondo popolato da animali fantastici e personaggi affascinanti che si muovono all'interno di un universo onirico ed evanescente. Questa collezione è la celebrazione di questo nostro amore per il surrealismo, attraverso grafiche innovative e per nulla scontate. Nella dimensione dei sogni tutto è possibile, e questa collezione ci invita a sfidare i limiti del possibile dando vita a creazioni capaci di stupire adulti e bambini.
